## Light Sport Aircraft Day Saturday, August 7, 2010

(Rain date August 8th)

Parlin Field Airport  
Newport, NH

Parlin Field - 15 Sunapee St., Newport, NH 03773, 603.863.1220

Looking for an interesting, different and fun flying day in August? Join fellow Aero Club members, Dick Bicknell and Light Sport Aircraft enthusiasts at Parlin Field (2B3), Newport, New Hampshire on Saturday, August 7th.

Our longtime friend and Acone member, Dick Bicknell, has helped to organize this event and has invited the Aero Club of New England to attend.

*Note the manufacturers that are attending with aircraft:*  
**FLIGHT DESIGN, TECNAM, LEGEND CUB, REMOS & JABIRU**

### PROGRAM:

Starting at 9:00 a.m.....Coffee and Danish

Exhibition and demonstration flights by  
Flight Design, Tecnam, Legend Cub, Remos & Jabiru

AVIONICS by GARMIN

New F.A.A. Seminar .... "Can Your Airplane Really Perform?"

LUNCH: On the field at the Lil' Red Baron Restaurant

Dick Bicknell, who lives close by Parlin in the summer months was instrumental in starting our many years at Basin Harbor. If Dick is involved, this should be a FUN DAY.

For further information, contact Dick Bicknell at

Flight Design USA is the importer of CT, the top selling Light-Sport Aircraft. CT is a 98% carbon fiber design with superb performance, a roomy cockpit, great useful load, and a parachute as standard equipment.

Sport Cub by CubCrafters™  
[www.cubcrafters.com/sportcub](http://www.cubcrafters.com/sportcub)  
The Classic. Reinvented.  
Experience the Adventure!

Remos Aircraft is the manufacturer of the next generation GX. This beautiful composite design, built by German craftsmen offers excellent performance, light responsive handling, and cabin finish to please most American aviators.

Jabiru USA builds the spacious & speedy J-250 and more recently J-230 plus the training-optimized J-170, each certified as Special LSA. The Tennessee-based company also imports and services the popular Jabiru engine line.

Tecnam P92 Eaglet is an all metal, High wing Light-Sport Aircraft.
